## Mission Statement:

The Choctaw County Economic Development Foundation is a non-profit organization with a mission to promote business and community development through coordinated effort of its membership.

The Foundation membership includes industry, small business, utility providers, local town governments, retail merchants, churches, and individuals.

## Goals:

- Create a public/private partnership to foster the retention, expansion, and competitiveness of existing business and industry
- Promote the formation of new businesses
- Assist the location and expansion of business and industry into Choctaw County
- Build upon a social, civic, cultural, recreational, and economic environment that will encourage growth of the local economy, attract visitors, and improve the quality of life of the residents of Choctaw County
